**SEC. 336. EQUALIZATION OF COSTS OF PRODUCTION.**

(a) *CHANGE OF CLASSIFICATION OR DUTIES.*—In order to regulate the foreign commerce of the United States and to put into force and effect the policy of Congress by this Act intended, the commission (1) upon request of the President, or (2) upon resolution of either or both Houses of Congress, or (3) upon its own motion, or (4) when in the judgment of the commission there is good and sufficient reason therefor, upon application of any interested party, shall investigate the differences in the costs of production of any domestic article and of any like or similar foreign article produced in the principal competing country or countries. In the course of the investigation the commission shall hold hearings and give reasonable public notice thereof, and shall afford reasonable opportunity for parties interested to be present, to produce evidence, and to be heard at such hearings. The commission is authorized to adopt such reasonable procedure and rules and regulations as it deems necessary

to execute its functions under this section. The commission shall report to the President the results of the investigation and its findings with respect to such differences in costs of production. If the commission finds it shown by the investigation that the duties expressly fixed by statute do not equalize the differences in the costs of production of the domestic article and the like or similar foreign article when produced in the principal competing country, the commission shall recommend in its report such increases or decreases in rates of duty expressly fixed by statute (including any necessary change in classification) as it finds shown by the investigation to be necessary to equalize such differences. In no case shall the total increase or decrease of such rates of duty exceed 50 per centum of the rates expressly fixed by statute.

(b) **CHANGE TO AMERICAN SELLING PRICE.**—If the commission finds upon any such investigation that such differences can not be equalized by proceeding as hereinbefore provided, it shall recommend in its report to the President a change in the basis of value to the American selling price (as defined in section 402(g) of this Act) of the domestic article and such *ad valorem* rates of duty based upon such American selling price as it finds shown by the investigation to be necessary to equalize such differences. In no case shall the total decrease of such rates of duty exceed 50 per centum of the rates expressly fixed by statute, and no such rate shall be increased.

(c) **PROCLAMATION BY THE PRESIDENT.**—Within sixty days after the date any report of the commission is received by the President, he is authorized by proclamation to—

(1) Approve the rates of duty and changes in classification and in basis of value recommended therein, if he is of opinion that such rates of duty and changes are necessary to equalize such differences in costs of production; or

(2) Disapprove such rates of duty and changes if he is not of such opinion.

(d) **EFFECTIVE DATE OF THE RATES.**—Commencing ten days after the date of any Presidential proclamation of approval the increased or decreased rates of duty and changes in classification or in basis of value recommended in the report of the commission shall take effect with respect to the foreign articles when imported from any foreign country into the United States or into any of its possessions except the Philippine Islands, the Virgin Islands, American Samoa, and the island of Guam. In the event the President makes no proclamation of approval or disapproval within such sixty-day period, the commission shall immediately by order publicly declare such fact and the date of expiration of such period, and the increased or decreased rates of duty and the changes in classification or in basis of value recommended in the report of the commission shall, commencing ten days after the expiration of such period, take effect with respect to the foreign articles when so imported.

(e) **PUBLICATION OF COMMISSION'S REPORT.**—At the time of making any proclamation under this section the President shall make public the report of the commission upon which the proclamation is based, and transmit a copy of the proclamation and the report to the Congress. If no proclamation with respect to a report of the commission is made within such sixty-day period, then at the time of the expira-

*tion of such period the commission shall make public the report and transmit a copy thereof to the Congress. If the Congress is not in session at such time, the copy of the report and/or proclamation shall be transmitted at the commencement of the next session of the Congress.*

*(f) ASCERTAINMENT OF DIFFERENCES IN COSTS OF PRODUCTION.—In ascertaining the differences in costs of production under this section, the commission shall take into consideration, in so far as it finds it practicable:*

*(1) In the case of a domestic article,—(A) the cost of production as hereinafter in this section defined; (B) transportation costs and other costs incident to delivery to the principal market or markets of the United States for the article; and (C) other relevant factors that constitute an advantage or disadvantage in competition.*

*(2) In the case of a foreign article,—(A) the cost of production as hereinafter in this section defined, or, if the commission finds that such cost is not readily ascertainable, the commission may accept as evidence thereof, or as supplemental thereto, the weighted average of the invoice prices or values of the foreign article for a representative period, and/or the average wholesale selling price for a representative period, which price shall be that at which the article is freely offered for sale to all purchasers in the principal market or markets of the principal competing country or countries in the ordinary course of trade and in the usual wholesale quantities in such market or markets; (B) transportation costs and other costs incident to delivery to the principal market or markets of the United States for the article; (C) other relevant factors that constitute an advantage or disadvantage in competition, including advantages granted to the foreign producers by a government, person, partnership, corporation, or association, or a foreign country.*

*(g) MODIFICATION OF CHANGES IN DUTY.—The commission and the President proceeding as hereinbefore provided for shall, if it is found that the differences in costs of production which led to an increase or decrease in a rate of duty or a change in classification or in basis of value under this section have changed or no longer exist, modify or terminate such increased or decreased rate or change in classification or in basis of value in accordance with such finding.*

*(h) PROHIBITION AGAINST TRANSFERS FROM THE FREE LIST TO THE DUTIABLE LIST OR FROM THE DUTIABLE LIST TO THE FREE LIST.—Nothing in this section shall be construed to authorize a transfer of an article from the dutiable list to the free list or from the free list to the dutiable list, nor a change in form of duty. Whenever it is provided in any paragraph of Title I of this Act, or in any amendatory Act, that the duty or duties shall not exceed a specified ad valorem rate upon the articles provided for in such paragraph, no rate determined under the provisions of this section upon such articles shall exceed the maximum ad valorem rate so specified.*

(l) INVESTIGATIONS PRIOR TO ENACTMENT OF ACT.—All uncompleted investigations instituted prior to the approval of this Act under the provisions of section 315 of the Tariff Act of 1922, including investigations in which the President has not proclaimed changes in classification or in basis of value or increases or decreases in rates of duty, shall be dismissed without prejudice; but the information and evidence secured by the commission in any such investigation may be given due consideration in any investigation instituted under the provisions of this section.
